4 December 1975

MEMORANDUM FOR: All NIOs
SUBJECT : The *KEP* Process

Attached for your information is a note I received from the DCI with respect to the FY 1975 KEP. Appended to it is an interim status report prepared for him by the IC Staff (which doubtless also drafted his memorandum to me). I would appreciate your reviewing these items, which I plan to discuss at our next meeting.
